

The Internet Corporation for Assigned Names and Numbers

Journalists,

Welcome to ICANN's 36th International Public Meeting in Seoul.

In no small way, the Internet works effectively, because ICANN works effectively. We are a not-for-profit public-benefit corporation with participants from all over the world dedicated to keeping the Internet secure, stable and interoperable. ICANN promotes competition and coordinates the Internet's global name and address system.

We are delighted that you are covering our conference. Allow me to draw your attention to several points.

- **FREE WIFI INTERNET ACCESS:** You, and all other attendees, can access the Internet via a free WiFi access point, which ICANN has set up specifically for our conference.
- **MEDIA CONTACTS:** Should you need any assistance or additional information while covering our meeting, please contact us and we will do our best to assist you. Here is our contact information.
